

Technology Innovation Report

Assignment:

For this project you are to choose one innovative piece of technology who's creation revolutionized the world. The topic must be approved by the teacher. Use the Internet to research how things were done prior to this technology, the development of the innovation, and how it has changed everyone's experience. Using Microsoft Word and proper MLA formatting, write 2 - 3 pages on this topic. You must use at least three sources and list them on a separate Works Cited page.

Do not use "Copy & Paste" for anything other than recording URLs that you are referencing.
